

# 2030 COMMITMENTS

**‘The Hanson UK 2030 Commitments define the key topics and core principles of our corporate sustainability strategy. They will drive us to continually improve as we contribute to building a better world for 2030 and beyond.’**

## **Business and product innovation**

We will ensure continuous business improvement through the effective management of all processes and resources and the continuing innovation of products and services.

## **Health, safety and wellbeing**

We will ensure Hanson is a safe and healthy place to work and are committed to continuously enhancing the health, safety and wellbeing of our employees and contractors.

## **Environmental responsibility**

We are committed to fulfilling our share of the responsibility to keep the global temperature rise below 2° Celsius; and we will continue to reduce our impacts on air, land and water.

## **Resource use and the circular economy**

We will conserve natural resources by avoiding or reusing waste and by continuously increasing the use of alternative resources as substitutes for natural raw materials.

## **Being a good neighbour**

We are committed to making a positive contribution to the communities around our operations and ensuring transparent communication to all our stakeholders.

## **Fairness, inclusion and respect**

We will be a fair, respectful and inclusive company; encouraging a culture that values openness and transparency and recognises individual achievement.

**Hanson UK supports the  
UN Sustainable Development Goals.**
